This event is for parents/guardians/family members of military-connected students only!

This FREE two-day workshop is open to all service members, their spouses, and any family members who support the military-connected student. This is an intensive workshop that will include vital information on Special Education in Virginia, transition, collaboration with schools, and other topics related to disability services in Virginia. This training event is provided in collaboration with the Virginia Department of Education (VDOE).

A limited number of hotel rooms are available for participants on a first-come basis. These are available to participants at no charge.

- You MUST receive an email confirmation from PEATC to attend this event.
- You MUST commit to participate in the entire training.

Contact the PEATC office at (800)869-6782 or partners@peatc.org (please do not contact the hotel/training venue directly) with any questions or cancellations.
